

## EIC Multicorporate Day on ConTech – Saint Gobain’s Challenges

*As part of the EIC Multicorporate Day on ConTech initiative, Saint Gobain is specifically looking for innovative solutions in the following domains:*

### **Challenge 1:**

Change the way they design and engineer their buildings and infrastructure

### **Challenge 2:**

Change the building materials they use and source for their buildings and infrastructure

### **Challenge 3:**

Change the way they fabricate and construct their buildings and infrastructure

### **Challenge 4:**

Change the way they dispose of buildings & infrastructure and recycle their building materials
